## HARBOR EX.PTL-SL 9329501037485

The Harbor Bollard Pathlight is a versatile and stylish lighting solution for illuminating outdoor walkways and paths. The louvred grille design minimises glare and allows for optimal light distribution, while the option to select standard E27 globes makes it easy to customize the light source to your specific requirements. The impact-resistant and IP54 waterproof design ensures that the Harbor Bollard Pathlight can withstand harsh weather conditions and provide reliable lighting for years to come. The robust aluminum extrusion and polycarbonate lens provide durability and protection against the elements. Upgrade your outdoor lighting with the Harbor Bollard Pathlight and enjoy improved visibility and style.
