LUC.G8-BK83-826 9329501054673

The LUC G series is a recessed inground LED luminaire. The modern design is small and discreet but bright and can therefore optimally illuminate and set the scene for walkways, gardens, and terraces. Directed the light upwards to create an atmospheric highlight on walls or sculptures. It blends flush into the ground and is simple, functional, and available in 3 sizes. With an operating voltage of 8~26 volt and a water-protected rating of IP65, it is a versatile and safe lighting solution for outdoor areas. Other fixtures in the LUC series can be combined to form a complete outdoor space solution. A 12 or 24 volt AC transformer is recommended to power up this fixture.

Overview

Family name	Luc
Categories	Inground Lights
Mounting	Recess
Usage	Outdoor Lighting,Trade Selection

Color / Material

Fixture Color	Clear,Black
Fixture Material	Metal,Polycarbonate
Diffuser Material	Polycarbonate
Diffuser Color	Clear

Size

Fixture Diameter (cm)	7.5
Fixture Height (cm)	9.2

Specification

Voltage Input	12-24V
Wattage (max)	8
Globe Type	LED integrated COB
Globe / Light Source qty	1
Globe / Light Source included	Yes
Lumens	700
Color Temperature	Warm White
Color Kelvin	3000k
Color Rendering	>84
Dimmable	No
Beam Angle (degree)	32
IP rating	IP65
Approvals	RCM
Box Contents	Instruction
Installation Required	Yes (by Licensed Electrician only)
Care Instructions	Do not use strong liquid cleaners,Wipe clean with a dry cloth
Replacement Warranty	*3 Years

Barcode

GTIN 9329501054673
